

Low Linting Nylon Inner Gloves

LYNBOND

About

100% Nylon continuous filament knitted yarn, low linting glove which is soft and comfortable to wear with an elasticated cuff. Ideal to be used as an inner glove to protection against allergies. The open weave allows the hands to breathe thus increasing comfort for the wearer for long periods whilst wearing a barrier glove. The glove is 'one size' fits all, perfect for extra small to extra large hands.

Features

- 100% Nylon Knit
- Continuous filament yarn
- Low linting
- One size
- Extremely comfortable to wear
- 5cm Elasticated Colour Coded Cuff
