

Seating/step over bench

SKU: CRSE-SBOP20x35

Description

Our stainless steel freestanding step over bench is a versatile item and essential in any changing room.

This seating bench is cleverly designed as it is compact, robust and has no dirt traps underneath. Manufactured in hygienic 304L-grade stainless steel, its tough, 30mm box section frame and 40mm box section legs provide up to 250kg payload and ensure the longevity of service.

Sturdy on the top and soft on the bottom thanks to its stainless steel adjustable feet with non-marking rubber base.

Available with option of adding 1 or 2 shelves for increased storage.
